General Data Protection Regulation (G.D.P.R.)

In conclusion of the procedures required by the **G.D.P.R.**, I can confirm that on behalf of **R.L.H.S.**, I have thoroughly complied with these regulations. One of the results of the exercise is that the **R.L.H.S. Database** has been thoroughly spring-cleaned. This in turn, has revealed that the Society comprises 113 actively consenting members - 4 times the number it's boasted for most of its 40 year history. This is a marvellous achievement and now our aim must be, to maintain the interest shown.

Watch this space to find out if it gets re-instated in the autumn

I'm delighted to say, I've completed next season's brochure and it's at currently with our excellent printers (South East Print Media, Shop C, Longcross Court City Road). Alan has booked Speakers on a very wide range of topics, with four out of the nine lectures concerning talented **Roath** residents.

Best regards,

Elizabeth Morgan.
